Cordially invite you for

NATIONAL CONFERENCE AND ALUMNI MEET - 2018

Conference Theme:

"Dairy Enterprises: An Opportunity for Sustainable Development"

Venue

BAMETI Conference Hall, Patna

Organised by
Dairy Technocrats' Association, Bihar
In association with
Sanjay Gandhi Institute of Dairy Technology, Patna
And
Bihar Animal Sciences University, Patna

About SGIDT and DTA

Formation of COMPFED was a major step aiming towards enhancement of Milk Production and processing of Milk in organized sector. Very soon, it was found that our state does not have enough specialized manpower to match the potential in this sector. To provide trained manpower for Dairy Sector, Sanjay Gandhi Institute of Dairy Technology was established under Rajendra Agricultural University Pusa, Samstipur. It started its academic activity in the year 1982. Later it was transferred to Bihar Agricultural University Sabour, When Rajendra Agricultural University got upgraded as a Central University. In 2016, it became part of Bihar Animal Sciences University, which was established to promote the Education, Research and Extension in the field of Animal Science and allied sector. Sanjay Gandhi Institute of Dairy Technology has so far produced more than 500 Dairy Professionals. Apart from playing a major role in dairy development in state, many of its Alumni have created a niche for themselves, at national and international level.

Dairy Technocrats Association was informally formed as a student association of SGIDT Patna in 1995. Initially the association's activities were limited. However, in 2007, first Alumni Meet was organised in the Institute. This meet received unprecedented great success and in 2010, the Dairy Technocrats' Association (DTA) was formally registered (Reg. No. 2929 Date: 31/03/2010) under society registration act 1860 and started working as an Alumni Association of SGIDT. All graduates passing out from SGIDT are its esteemed members. The association has been engaged in organising Alumni Meets, Conferences, Seminar, workshops and other activities since last couple of years.

In 2017, the association organised 2nd Alumni Meet and a National Conference on "Role of Dairying in doubling the farmer's Income". This event received lots of appreciations from the Chief Guest, Dairy Unions, COMFED, Alumni and guests. Inspired by the success, the association has taken another step forward and is organising National Conference and Alumni Meet-2018.

About the Conference

Since 2017, DTA has decided to annually organise a conference on the broader relevant themes pertaining to development of dairy sector. This year the association is going to organise National conference and 3rd Alumni Meet-2018 on the occasion of National Milk Day.

Theme

The theme of the ensuing conference to be held on 26th November 2018 is "Dairy Enterprises: An Opportunity for Sustainable Development". The day will witness research findings, thoughts and experience sharing by renowned dairy scientists, Dairy enterprise representatives, entrepreneurs, and bureaucrats. The conference proceedings will be published in a booklet and shared with all dairy stakeholders. It would cover lectures, speeches and articles of researchers, students and experts.
