

National Cadet Corps (NCC) Activities

NCC was introduced in Bihar in the year 1948 with 1950 senior Division cadets and 4050 junior Division cadets. It was then organized as circle HQ and units. The strength of cadets rose considerably due to NCC being made compulsory in 1963. Bihar Veterinary College (BVC) is one of the oldest Veterinary College of India. Earlier BVC, Patna was not having NCC UNIT. For the first time NCC unit (1st Bihar armoured Sqn) introduced at BVC, Patna on 1st September 2018. 20 Students of 1st year B.V.Sc & A.H 2018 batch was enrolled as a cadets. Dr Gyan Dev Singh, Assistant Professor, Veterinary Clinical Complex, Bihar Veterinary College, Patna is given the responsibility of NCC.

Though aim of NCC is to provide a suitable environment for preparing cadets for a career in defending the motherland, greater emphasis is to enable them to be ideal citizens of the country, excel in any chosen profession and prepare them for selfless service to the nation and provide a disciplined pathway to cadets.

Keeping the above facts in mind the cadets are given rigorous training, lecture, drill practice by expert from NCC HQ. Cadets actively participated in the Independence Day 2018 celebration program and performed parade including march past. The cadets were also involved in many activities like world No TobaccoDay on 31stMay 2019 to create awareness among society to quit tobacco. NCC cadets were also involved in plantation activity at Bihar Veterinary College on the occasion of World Environment day.
