

PROSPECTUS 2019

BIHAR ANIMAL SCIENCES UNIVERSITY

PATNA, 800 014 (BIHAR)

PROFILE OF THE UNIVERSITY

Bihar Animal Sciences University (BASU) has been established with its headquarters at Patna through an act of Bihar State (BASU Act No. 15 of 2016, notified in the Bihar Gazette on 29 August 2016). The new University has been carved out of the Bihar Agricultural University as two of its constituent colleges at Patna viz. Bihar Veterinary College and Sanjay Gandhi Institute of Dairy Technology have been transferred to the BASU, whereas a new College of Fisheries was inaugurated on 29th Aug., 2018 and has started functioning at Kishanganj. To further expand the horizon of the University and strengthen the research and outreach, following research institutes, stations and substations are being transferred to BASU viz. Institute of Animal Health and Production, Patna, Exotic Cattle Breeding Farm, Patna, Central Poultry Farm, Patna, Government Cattle Farm, Gaya and Government Buffalo Farm, Sipaya (Gopalganj). The University is functioning at Patna in the Bihar Veterinary College Campus near Jai Prakash Narayan International Airport, Patna. The objectives of the University are given below:

OBJECTIVES

- To impart education in Veterinary Science, Animal Husbandry, Poultry, Fisheries, Dairy and other allied branches of learning and scholarship;
- To further the advancement of learning and conducting of research, particularly in Veterinary and Animal Sciences and other allied sciences;
- To undertake the extension education of such sciences and technologies that are relevant for the rural people of the state;
- To facilitate and ensure qualitative improvement in the teaching and learning processes and methodology;
- To facilitate and ensure quality research in the contemporary and frontier areas of animal science and technologies;
- To facilitate the need for an organized process of lifelong learning;
- To disseminate knowledge and findings emerging in the University, its colleges, and institutions;
- To establish partnerships with the industries and other entities working in animal science, dairy sciences and fisheries sciences.
- To establish Hospital for treatment/ research-role of the University;
- Such other purposes as the University or Government may from time to time determine.

A.	The Application Form and Prospectus can be downloaded from the University Website (www.basu.org.in)	05.05.2019 onwards
B.	Last Date for receipt of application forms in the office of the Registrar through Registered/Speed Post/Courier only.	On or before 25.05.2019
C.	Date of Examination	09.06.2019

BIHAR VETERINARY COLLEGE

Bihar Veterinary College, Patna, the 5th oldest Veterinary College in undivided India was founded on 2nd April, 1927 by Sir Henry Wheeler, the then Governor of Bihar & Orissa. The buildings were completed, laboratories were equipped and teaching and professional staff joined the college in 1930. However, the college started functioning w.e.f. 7th April, 1927. The College made tremendous progress under the guidance and supervision of Dr. R. T. Davis, the first Principal of this historic College with a team of renowned scientists specialized in Breeding, Feeding, Management and Disease control of Livestock and Poultry species. During the post-independence period, Bihar Veterinary College developed to its full capacity and occupied a prestigious status associated with strong academic base for teaching and research in the field of Veterinary Science and Animal Husbandry as well as advanced Veterinary clinical services to the society.

Bihar Veterinary College, Patna, for a long time, provided quality Veterinary education and training not only to the candidates from Bihar and Orissa but also from several other states (U.P., Meghalaya, Mizoram, Tripura, Jammu & Kashmir, Assam, Himachal Pradesh etc.) of the country as well as from developing countries like Nepal, Bhutan, Afghanistan, Iran, Malaysia etc. Graduates of this college are spread all over the world and have occupied coveted and prestigious positions in State & Central Governments, State Agricultural Universities, Research Institutes and National as well as Multinational Industries. It can be mentioned with proud that Dr. C. M. Singh, Dr. B. S. Rajya, Dr. G. C. Mohanty, Dr. O .N. Singh, Prof. A. Ahmad, Dr. H. R. Mishra, Dr. R. B. Prasad, Dr. V. S. Pandey, Dr. D. V. Singh, Dr. G. Biswal, Dr. D. C. Nayak etc. are /were among the glittering alumni of this alma mater.

In the beginning (1930-1949), a three-year diploma course was started awarding G.B.V.C. (Graduate of Bihar Veterinary College) Diploma. Keeping pace with the advancement of Science and Technology, four-year degree course of B.V.Sc. & A.H. was started in 1949. An emergency Diploma-Shift-Degree course was introduced in the year 1954-55. The professional competency of diploma holders was also updated by subjecting them to "Condensed degree course" of two years and awarding B.V.Sc.& A.H. degree. The first batch of regular degree holders, admitted in 1949, came out in 1953 and became one of the stake holders of the Livestock and Poultry Resources of India in general and Bihar and its neighbouring states in particular.

UNDERGRADUATE PROGRAMS

B.V.Sc. & A.H. degree programme(5^{1/2}-year)

- The candidate should have a minimum qualification of 10+2 or equivalent with Physics, Chemistry, Biology and English from a recognized Indian Board / University.

Students will be selected through an Entrance Test conducted by NEET, thereafter counseling conducted by BCECE, Patna -(85%)	51 Seats
Students nominated through All India Quota (VCI) -(15%)	09 Seats
Total Seats	60

- All students/ candidates who desire to take admission in B.V.Sc. & A. H. Degree course at Bihar Veterinary College, Patna are hereby advised to appear in NEET (UG)-2019 to be conducted by National testing Agency (NTA). For detailed information, visit <http://bceceboard.bihar.gov.in>

14. Character certificate from the Institution attended last
15. Affidavit from the Notary Public, Patna as per prescribed Performa.
16. Certificate of physically handicapped/disabled issued by Medical board, for students who are to be admitted against this quota.
17. Agreement Bond (Surety bond) of Rs. 3,00,000/- as per prescribed format

COLLEGE LIBRARY:

The Bihar Veterinary College is a constituent college of Bihar Animal Sciences University which maintains a well-equipped central library at the university level with all the relevant reading material to cater to the needs of the students, teachers and extension specialists of the university in the Bihar Veterinary College Campus itself. The library also maintains internet services, e-journal access, and CD Rom facilities to its members.

Laboratories, Instructional farm, Workshop, Veterinary clinics, Hatchery etc.

All the departments of college have well equipped laboratories for undergraduate teaching as per Veterinary Council of India and for post graduate teaching as per ICAR guidelines. The college has a dedicated Centre or Unit for providing diagnosis of infectious and non-infectious animal diseases. Diagnostic facilities like X-ray, endoscopy, ultrasonography, blood biochemical analyzer, histopathology, antibiotic sensitivity test, infectious disease diagnosis etc. are available at TVCC. The faculty of different departments viz. Microbiology, Pathology, Parasitology, and Biochemistry contribute together in diagnostic services. Large numbers of cases are attended in the clinical complex and the samples are processed for diagnosis. Similarly, samples from the field are received from government hospitals/ farmers and practitioners. As required the faculty of other departments

such as Pharmacology, Animal Nutrition, Veterinary Public Health & Epidemiology and Veterinary Physiology also help in the diagnosis. The confirmatory disease diagnosis is the core activity being undertaken by the College to support the veterinarians and farmers of the state. The clinical and para-clinical departments collect, transport, analyse lots of morbid, necropsied and other variety of samples (biological fluids including discharges, blood, serum, plasma), tissue samples, urine, faecal samples etc. for microbiological, pathological, biochemical and toxicological evaluation. The quick and confirmatory diagnosis helps the clinicians and consultants to institute suitable therapeutic, preventive and curative measures. Besides this, active and passive surveillance under AICRP-ADMAS, AICRP- FMD active and passive disease surveillance is also undertaken so that baseline data for the state of Bihar is created for use in policy making.

As a part of experiential learning a Critical Animal Care Unit under the control of Department of Veterinary Medicine (with the funding of ICAR) and Model Demonstration unit of line slaughter of small animals, under the control of Department of Livestock Products Technology (University funded) has been established for providing practical training to the UG students of the college.

The Instructional Livestock Farm Complex (ILFC) is having about 30 acres land, out of which about 25 acres is under fodder cultivation and is maintaining different livestock units for fulfilling the needs of university mandates of UG/PG teaching, research, and extension. The UG/PG students are being fully exposed in managmental farm practices and animal treatment at ILFC. At present, the department is maintaining a dairy herd of 70 animals and a sheep and goat unit. The department also maintains a state of art poultry unit with setter unit (16000 capacity) and hatcher unit (10000 capacity) under Poultry seed Project. The poultry unit maintains parent stock of Vanraja breed (1800Nos), breeding stock of Japanese quail (300Nos) and demonstration unit of Karaknath.

The department of ILFC is maintaining three tractors with trolleys, besides farm cultivation equipment like disc plough, harrow, cultivator and leveler, slasher, grass cutting equipment etc.

Student Internship/Experiential Learning Programmes:

The Internship programme is undertaken by students after completion of four-and-a-half-year period during the last twelve months of B.V.Sc. & A.H. degree programme. A successful completion of the all the theory and practical courses is a pre-requisite to enroll for an internship programme. Depending upon the number of students, they are divided into batches. During the period of internship programme, the students are rotated in different clinical and paraclinical departments of the college for a period of 3 months. Out of these 3 months, the majority of the period goes in the clinical departments comprising of Gynaecology, Medicine, and Surgery, where the interns are entrusted with a round the clock responsibility. For 3 weeks, the interns are trained in cattle production and management in the livestock farm of the university. The students are also exposed to the facilities managed by the State Animal Husbandry Department at different places, such as Semen Processing Station, Zoo, Veterinary polyclinic and Pet clinics. The students are sent outside the state in National Institutes for exposure and field training like IVRI, NDRI, BAIF etc. The representatives of various pharmaceutical companies also interact and address the interns. The interns are disbursed an amount of Rs 5000/- per month as an internship allowance. At the end of the internship, each student is evaluated and these with satisfactory performance are awarded degree.

Hostel Accommodation:

Separate hostels for boys and girls are available at Bihar Veterinary College, Patna. Hostel accommodation cannot be claimed as a matter of right. With the permission of the competent authority and guardian, students can be allowed to stay outside the hostel as day scholar.

SANJAY GANDHI INSTITUTE OF DAIRY TECHNOLOGY

About the Institute

Introduction

Considering the prevailing scenario of Animal Husbandry and Dairying in Bihar, the government has established Bihar Animal Sciences University (BASU), Patna since June 2017 along with its constituent units. SGIDT, Patna has been a constituent unit of BASU since then and before that it was a part of BAU, Sabour since 2010 and a part of RAU, Pusa from the inception i.e. from 1980.

SGIDT has been an ICAR accredited institute since 2017. The institute imparts state of the art teaching, research and extension in the area of Dairying encompassing Dairy Engineering, Dairy Technology, Dairy Microbiology, Dairy Chemistry, Dairy Extension, Dairy Cattle and Nutrition, Animal Physiology and Reproduction, Dairy Economics, Statistics and Computers. The institute runs a four - year degree programme in Bachelor of Dairy Technology (B. Tech-D.T.) and two year post graduate degree program of M. Tech (D.T.) at present. The institute has adopted the course curricula as per recommendation of the Dean's committee constituted by the ICAR, New Delhi and presently the courses are offered as per ICAR V Deans' Committee. The SGIDT was established with the mandate to fulfill the requirements of Dairy Husbandry and Dairy Technology for upliftment and growth of farmers and entrepreneurs in dairy and food sectors.

ACTIVITIES AND LINKAGES

Since inception, the institute has provided high dividends in terms of excellent academic and research outputs. The institute has been producing B. Tech. (DT) graduates with spectacular placement records. Many students are persistently securing Junior Research Fellowship (JRF) and have qualified competitive examinations to seeking admissions in National Dairy Research Institute, Karnal and other Agricultural Universities (SAUs) in India. A number of students have qualified CAT, GATE, and are studying in IIMs, IRMA, etc. Alumni of SGIDT are serving in many of the prestigious dairy plants like AMUL, COMFED, Mother Dairy, Nestle, etc. Besides, its alumni are serving in various Government organizations, State Agricultural Universities, Line-departments of the Government, Banks, etc.

Apart from teaching, scientists are involved in various research and extension activities. SGIDT is one of the collaborating centers in ICAR-ILRI research project entitled, 'Development of Goat milk and meat value chain in Bihar and Uttar Pradesh' The goal of the project is to sustainably improve the socio-economic condition of goat rearers, traders, butchers and other key factors involved in goat meat/milk value chain in selected districts of Bihar and Uttar Pradesh. Central Institute for Goat Research (CIRG), Mathura and International Livestock Research Institute (ILRI), Nairobi are the lead centers in these projects.

Examination Hall:

At present, the examinations are being conducted in the lecture halls. A separate examination hall complex has recently been constructed. A confidential room with all latest facilities required for the conduct of examinations is available in the college.

Exhibition Hall/Museum:

The department of veterinary extension education is maintaining a museum for display of various activities of the college through posters and models.

Employability:

The students who graduate from this college have 100% employability. Majority of our graduates, around 80% are employed by the government sector in the Department of Animal Husbandry as Veterinary Officers. Many of these veterinary officers join after their B.V.Sc. & A.H. whereas, around 15-20% join after obtaining their specialization. Around 5-10% of graduates, who opt for higher studies find a satisfying career in institutes of highest learning in research and academia (universities, ICAR institutes) both in India and abroad. Veterinary graduate students also join reputed organizations like COMFED, JIVIKA etc.

NEW INITIATIVES:**VETERINARY EMERGENCY RESPONSE UNIT (VERU):**

Veterinary Emergency Response Unit (VERU) was established in the college during Kos flood in the year 2008-09 in collaboration with World Animal Protection (WAP) New Delhi. The basic objective of creating Veterinary Emergency Response Unit in this college is to prepare human resource, capable of conducting rescue of animals during disaster and also prevent any outbreak of diseases post disaster as well as to conduct impact of such incidents and be prepared for future. The training comprises of lecture series spread over 4- days, rigorous training, including table top and field exercises.

Animal Disaster Management certificate course for students of Bihar Veterinary College, Patna was conducted from 03.05.2018 to 08.05.2018 by Veterinary Emergency Response Unit (VERU) of Bihar Animal Sciences University, Patna. Twenty-three students of 4th year under graduate course completed it successfully. Under this programme, the students were exposed to five days theory classes on prefix animal disaster lecture module and one day simulation exercise at 9th Bn, NDRF Bihta and got hands-on- training This programme is first of its kind in the country which imparts specialized training to Veterinary students.

Regular training of veterinary Doctors of the Animal Husbandry department, GOB is being imparted apart from training to NDRF and SSB personnel. Training has also been organized for trainers by VERU unit of this college. This helps in creating human resource pool capable of working as trainers and work under disaster situations to save precious livestock.

STATUS OF THE INSTITUTE

The institute has several departments as per the sanction order by Bihar Government for teaching Research and Extension purposes in the field of dairy sciences. Presently under the ICAR Dean's Committee recommendation five major departments for teaching undergraduate courses have been formed out of total nine departments sanctioned. These are Dairy Technology, Dairy Engineering, Dairy Chemistry, Dairy Microbiology and Dairy Business Management Departments. The Department of Dairy business management has merged the different courses of Dairy extension, Dairy husbandry, Computer and Statistics and Dairy Economics. With the passage of time a number of infrastructure development have taken place in its own campus at Jagdeo path, Patna.

ACADEMIC STATUS

With the view of supply of trained graduates in Dairy Industry the Government of Bihar sanctioned twenty-five seats for admission of students earlier in BSc Dairy Technology courses. It has been upgraded since 2008 to B. Tech. Dairy technology course under ICAR IVth Deans committee syllabus. The Hands on Training and Experiential Learning programme in seventh semester and In-plant Training in eighth semester were incorporated in the syllabus to make students highly professional and practical for absorption in the industry. Later on since 2016, the syllabus is further upgraded by ICAR Vth Deans Committee in which student ready programme are included in the semester breaks apart from hands on training and experiential learning programme and in-plant training programme.

Academic Rules

Undergraduate Course (B. Tech-Dairy Technology- 4 years):

- The candidate should have a minimum qualification of intermediate in science i.e. 10+2 or equivalent examination with physics, chemistry and mathematics (PCM) combination /physics, chemistry mathematics and biology (PCMB) combination.

Students will be selected through an Entrance Test conducted by BCECE, Bihar thereafter counseling conducted by BCECE, Patna-(85%)	21 Seats
Students nominated through All India Quota (ICAR) -(15%)	04 Seats
Total Seats	25

- For details of eligibility and other information, prospectus issued by BCECE, Patna may be referred. For detailed information, visit <http://bceceboard.bihar.gov.in>

TRAINING AND PLACEMENT CELL

Objectives

- To provide the facilities for Training and Student Ready programs and In-plant training to students as per the ICAR V Deans Committee curriculum.
- To provide placement opportunities to students in Govt. Organization like State Dairy Federation, consisting of milk unions, Private dairy and Food plants, Multinational Dairy and Food Organizations.

Main Functions of the Cell

- 1 To create database of the recruiters in India and abroad.
- 2 To act as a liaison between students and recruiting organizations.
- 3 To create awareness among students.
- 4 To create a contact record for different types of recruiters such as private industry, Govt. organizations, NGO and Banking Professionals etc.
- 5 Proper guidance and training for skill development and Competitive examinations like ARS/SRF/JRF/Civil services etc.
- 6 Proper guidance to students for self-employment and setting up small scale industries or dairy farming of livestock.

Training Stipend

- The stipends are generally provided by the organizations imparting training to students.
- ICAR has made provision to provide stipend for one semester at the rate of Rs. 3000/ per month to those students who have not received stipend from industries.

Organizations Providing Job Opportunities to our Students:

Our alumni carving a niche in reputed organizations for themselves and making significant contributions to the dairy food industry. Our past students are serving in the following prestigious organizations:

Nestle India Ltd.	Hindustan Uniliver Ltd.	ITC Food Division
Almarai	Britannia	NDDB
GCMF	COMFED	MILKFED
Mother Dairy	AMUL	HEINZ INDI A Ltd.
Wipro	Paras Foods	Dynamics Dairy Industries Ltd.

Laboratories

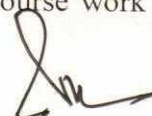

The institute has a central fine instrument laboratory and six other well equipped laboratories, where students do practical & research.

Class Rooms

The institute has air-conditioned classrooms with audio visual presentation equipment and modern facilities. A new lecture theatre complex is under construction that shall be having one large hall on ground floor of 175 seats that may be utilized as auditorium as well as for organizing seminars, meetings etc. Two 48 seated lecture halls on first floor having all modern AV facilities and acoustics are also coming up. Engineering drawing laboratory, workshop laboratory, electrical technology laboratory, fluid mechanics laboratory, and Instrumentation engineering laboratory will be extended in coming up new building of Dairy Engineering department apart from the existing dairy and food process engineering laboratory.

LIBRARY

The Existing library of SGIDT, Patna provides facilities to support research, teaching, learning, and scholarly communication across various disciplines. The library has aimed to become the informational hub for the students and the staff of the college to access national, international journals and periodicals, textbooks and reference books to the students for their course work and

research through CeRA. The library has a good collection of text books, reference books, few journals, project reports and internet facility for reference purpose.

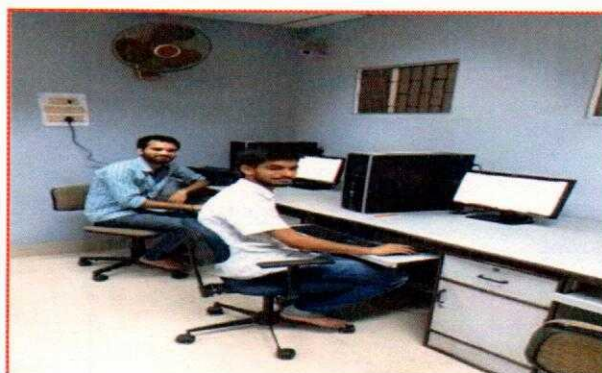

MODEL DAIRY PLANT

ICAR and Govt. of Bihar funded Experiential Dairy Plant (10,000 lts/day capacity) with facilities for processing, product development, quality analysis and packaging of milk and milk products, which is under construction.

COMPUTER LABORATORY

The institute has a well-equipped computer Centre and is connected through LAN for access to internet. Staff rooms and various laboratories have also been provided with internet connection through LAN. The faculties, students and staffs use this laboratory for training/ teaching, computation, report preparation and surfing the net for academic activities. Most of the faculties of the institute have been connected with the local area network (LAN) of the institute to have broadband internet access and other services at their desktop. One new Computer language laboratory has come up in the institute.

LANGUAGE LAB:

A Language Lab is being established in the institute for improving the communication skills of the students. A full batch of 25 students can practice different exercises under the supervision of a language teacher. The language software has already been procured. The process of procurement of computers is underway and very soon the language lab will become operational.

A handwritten signature in black ink, located at the bottom right of the page. The signature is stylized and appears to be the name of the author or a representative of the institute.

COLLEGE OF FISHERIES, KISHANGANJ

INTRODUCTION

The idea of establishing College of Fisheries was envisioned as an innovative model while working on transformation of agriculture in Bihar and in that context realizing the potential of fisheries by none other than the Chief Minister of Bihar, Shri Nitish Kumar and his agriculture advisor and former DG of ICAR Dr. Mangla Rai. This was also a gesture to pay a sincere tribute to former president of India late DR. Dr. A. P. J. Abdul Kalam. The college has been established as an independent unit in the integrated agriculture college campus. While adopting global standard of academic practices, the college differentiate itself by integrating cutting-edge technological education and research with sensitivity to the need of resource user communities, thereby advancing an inclusive development agenda.

VISION:

A credible fisheries education institution that nurtures the next-generation of professionals and entrepreneurs in the fisheries sector and contribute to the state and nation by pursuing innovation and research that is relevant to local needs and directed towards maximizing outcomes for economic, social and environmental wellbeing.

MISSION:

Producing fisheries graduates and entrepreneurs with credible skills, capabilities and commitment to transform the sector through innovative, inclusive and sustainable technologies, practices and policy inputs.

DEPARTMENTS:

CURRENTLY, COLLEGE HAS 11 DEPARTMENTS NAMELY

1. Aquaculture
2. Fisheries Resource Management
3. Fish Processing Technology
4. Aquatic Environment Management
5. Fish Genetics & Breeding
6. Biotechnology
7. Fish Physiology & Biochemistry
8. Aquatic Animal Health Management
9. Fish Nutrition and Feed Technology
10. Fisheries Extension
11. Fisheries Economics

DEGREE PROGRAMS:

Under Graduate Programme: Bachelor of Fisheries Sciences (B.F.Sc.), 4 years integrated programme.

Eligibility Requirements in B.F.Sc. Course

The candidates must have passed intermediate examination (10+2) or its equivalent examination in Science stream. The candidates must secure minimum 50% marks altogether in Physics, Chemistry, & Biology (10+2) examination. The SC/ST candidates must secure 45% marks instead of 50% marks altogether in Physics, Chemistry and Biology in 10+2 examinations.

Undergraduate Course (B.F.Sc.- 4 years): at College of Fisheries, Kishanganj

Students will be selected through an Entrance Test conducted by BCECE, Bihar thereafter counseling conducted by BCECE, Patna-(85%)	34 Seats
Students nominated through All India Quota (ICAR) -(15%)	06 Seats
Total Seats	40

For details of eligibility and other information, prospectus issued by BCECE, Patna may be referred. For detailed information, visit <http://bceceboard.bihar.gov.in>

HOSTEL ACCOMMODATION

There is one Boy's and one Girls' hostel for the College of Fisheries with 100 rooms capacity each. The allotment of rooms will be made under the instruction of the DEAN, College of Fisheries on the basis of lottery system.

CONDUCT AND DISCIPLINE

The student should obey the rules and regulations of the University. Students are expected to maintain good relationship with the University Authorities, teachers and non-teaching staff of the University. It shall be presumed that guardians of the students have agreed that their wards shall comply with the rules and regulations of the University and behave politely with the authorities/Teachers/Staff of the University. Failure to comply with these rules, students concerned will be liable for disciplinary action including expulsion of the student from the University. The decision of the University Authority in such cases shall be final and binding on students and their guardians.

The course curriculum and examinations procedure including fail/pass in different academic courses and year will be strictly adhered to as per guideline of ICAR in B.Tech. (D.T), B.F.Sc. & Masters' degree courses.

EDUCATIONAL TOUR

The University organizes Educational tour, Block Training, In-Plant Training etc. for the students of the different faculties, subject to the availability of fund from the State Government (for the purpose).

LIBRARY

There is a well-developed library in College of Fisheries, Kishanganj campus, having facility of good number of books journals and internet facility.

A handwritten signature in black ink, located at the bottom right of the page.

STUDENTS HOSTEL

Adequate hostel facility is available for both boys and girls UG and PG students. The hostel inmates are provided with Volleyball and Badminton courts, RO drinking water, in-house mess and common room.

INTERNET FACILITY:

The institute has access to internet facility through BSNL broad band as well as Wi-fi network provided by the Govt. of Bihar.

EXTENSION ACTIVITIES:

Transfer of technology being one of the mandates of the institute, it is actively engaged in dissemination of existing as well as developed technologies to the farmers for their upliftment and economic growth. The institute has also been extending consultancy services on the informal basis to dairy entrepreneurs in the state and has been instrumental in encouraging investment in fresh proposals and in up gradation of existing processing facilities in the dairy sector.

The institute has plan to set up a consultancy service cell to render these services on formal basis. Participation in extension programmes in adopted villages, KrishiMela, Agricultural Exhibitions, TV and Radio interviews are a routine affair of the scientists in the institute.

The village Parsa has been adopted by the institute under the scheme 'Mera Gaon Mera Gaurav'. Two teams, consisting of scientists of the institute have been constituted to pursue various activities and provide technical assistance and information to the farmers/ dairy farmers of the village.

FACILITIES AT UNIVERSITY LEVEL

SCHOLARSHIP:

- Bonafide students undergoing any of the Undergraduate Degree program belonging to the state of Bihar will be given a fellowship of Rs 2000.00 per month and Rs. 6000.00 per year as a contingency grant.
- M.V.Sc. and Ph.D. Undergoing students will be given Rs. 2000.00 and Rs. 3000.00 per month as scholarship, respectively.

ANTI RAGGING CELL:

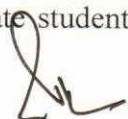

In pursuance of Supreme Court judgment of 8.5.2009 and subsequent UGC guidelines notified for higher education institutions to curb the menace of ragging notified by Gazette notification on 4.7.2009, the University follows these regulations and subsequent guidelines issued on the matter in letter and spirit. The University has followed 'Zero-Tolerance' towards the menace of ragging. Much before the beginning of the academic session, anti-ragging action plan is notified by the Deans and monitored on regular basis. The committees are constituted, which involve the faculty members and a duty calendar is also notified each year.

UNIVERSITY LIBRARY:

Bihar Animal Sciences University maintains a well-equipped central library at the university level with all the relevant reading material to cater the needs of the students, teachers and extension specialists of the university. The library also maintains internet services, e-journal access, and CD Rom facilities to its members. The library has a spacious and independent building spread over two floors. First Floor accommodates Circulation Books, SC/ST Book Bank, Newspapers and Back Volumes of the Periodicals. Second Floor accommodates Reference Books, Current Periodicals, and so on. The library has large collection of books, journals, periodicals etc. Besides CD ROM database have also been created and used by the P.G. students and research scholars for retrieval of reference pertaining to the research in the field of Veterinary and Animal Sciences, Dairy Technology and Fisheries Sciences. The details of books/documents at the College/ University Library have been entered in the KOHA Library Management software. This LMS is open Source Software and useful for the computerization of library activities and services in the networked environment. This software contains various modules such as Administration, Acquisition, Cataloguing, Circulation, Serial control, Article Indexing, Budget Control, OPAC (Online Public Access Catalogues) etc. Apart from this the dissertation submitted by students have been digitized and uploaded in the KrishiKosh Institutional Repository of NARS. CCTV have installed on all the floor of Central Library. Connectivity of CeRA facility are using by the Faculty and students of University. The library provides photocopies facilities on payment basis for copying documents. Online access of journals from CeRA, e-theses from KrishiPrabha , Open Access Journals, BioOne , ASM and CAB Abstract with full text are also available.

SPORTS AND RECREATION FACILITIES:

The University has a large playground for athletics, Cricket, Football and Volleyball court. The Boys and the Girls hostels of all the colleges have independent badminton and volley ball courts. All the hostels have table tennis, chess and carom facilities for residents. On regular basis, the tournaments at college levels are organized and a team of faculty, postgraduate students, and

undergraduate students actively participate in the sports to encourage positive interaction and growth. The university also publish sports calendar for organizing different events at university level.

HOSTEL RULES: -

- Students are expected to maintain gross discipline and desired academic atmosphere in the hostel.
- All kinds of shouting, hooting, violent knocking or any other act likely to cause disturbance to inmates are strictly prohibited.
- Ragging of any type will be dealt with severity and may result in expulsion from the University.
- Maltreating or abusing the hostel employee is strictly prohibited.
- Leave for absence from the hostel for one or more nights must have the approval of hostel superintendent.
- Students absenting themselves from the hostel without prior sanction of leave by the hostel Superintendent are punishable.
- Night roll call will be undertaken by the hostel Prefect at 9:00 P.M. in winter and 10:00P.M. in summer and every boarder must present in his room at the time of roll call.
- After roll call no student is allowed to leave the hostel, however, in case of emergency he must inform the hostel prefect/ Superintendent.
- Absence from the hostel for whole night without prior permission of the Superintendent will be considered as an act of gross indiscipline and misconduct and will call for punishment.
- Expulsion from the hostels will be done in case of continuous absence of boarders from the hostels without prior permission of hostel warden/ Chief Hostel Warden.
- Guests are not permitted to stay in hostel except in the case of father / brother provided that they come at an odd hour. The name and relationship of the guest so allowed to be entered in the hostel guest register.
- Lady guests are not permitted in any case to visit the room and stay in the Boy's Hostel.
- Boarders keeping guest without information and permission will be liable to punishment.
- No boarder is allowed to change his room without permission of the hostel superintendent.
- Light must be switched off when not in use.
- Students are advised to use LED bulb to save electricity.
- Boarders are warned against tampering electric appliances.
- Use of heaters, electric rod, iron, geyser is strictly prohibited and punishable.
- Motor cycle/cycle in verandah, corridor, dining hall and common hall is prohibited.
- Four wheelers are not allowed in the hostel.
- Students are expected to show a sense of responsibility in the maintenance of hedges, lawns, flowers and hostel landscape.

II. NATIONAL SERVICE SCHEME (NSS):

NSS is offered to students during first two years of their programme, to develop leadership qualities and motivate them for voluntary service to University.

CULTURAL CENTER:

All the colleges have a mini auditorium meant for organizing the literary, cultural and other events. Various events are conducted on yearly basis like fresher's day, World Veterinary Day, Milk day, Oath-taking ceremony, world zoonosis day, world rabies day, colleges foundation day, Cultural nights, Student farewell parties, beside scheduled sports, cultural and literary inter college competitions.

The faculties along with student representatives organize events on different occasion. The talent search starts from the first year of admission itself and students are groomed by senior students and faculty to represent colleges and university at various levels of youth festivals and meets.

Time to time the speakers, alumni and international speakers visits colleges and deliver talk and interact with students to motivate and shape their career.
