

BASU CAMPUS COVID-19 RESPONSE PLAN

Do's & Don'ts for all to follow

1. All must get screened themselves at the time of entry into the campus
2. All must get hand Sanitised and washed at the time of entry and also frequently during their stay in the campus
3. Always wear the mask and maintain required physical distance (1.5 mtr)
4. Sneeze and cough either into your elbow or into tissue paper / handkerchief. After coughing or sneezing dispose of the tissue paper and wash your handkerchief.
5. All the tables, chairs, computers and its accessories, mobiles and all the other objects, likely to be touched, must be sanitized on daily basis
6. Digital form of communication and proposals should be encouraged
7. In case of cough, breathing problem, fever and body pain please stay in home and consult the doctor
8. Don't spit at any place other than in the wash basin
9. Do not cough or sneeze into your bare hands or without covering your face.
10. Don't go out unless it is absolutely essential
11. Don't touch nose and mouth with the hand
12. Don't encourage outsiders to come until it's necessary and the same must be informed to the In-charge Security through Campus coordinators
13. Don't assemble more than 5 persons at a time at any place
14. Avoid the touching of knob of the wash basin and sanitiser
