|      |                                                      | Gen | SC | ST | EBC | BC | BC(F)  | EWS |
|      |                                                      | 07  | 04 | 03 | 02  | 02 | 01     | 01  |

### Important Notes:

- The Certificate course in Artificial Insemination will be conducted in three separate batches (20 each) throughout the year: Batch-1 (September–October–November), Batch-2 (January–February–March), and Batch-3 (May–June–July).
- A 5% reservation of seats (**DVLD – 02, DVLTL – 02, and CCAI – 01**) is allocated for Divyang (differently-abled candidates as per criteria laid down by Govt of Bihar). Divyang candidates will be counted within the specific category (UR/R) to which they belong. In the event of non-availability of eligible Divyang candidates, the seats will be filled by physically fit candidates.
- For fee structure details, please visit BASU's official website at <https://www.basu.org.in/>
- Candidates seeking admission to these courses are required to pay an application fee (non-refundable) as follows: Rs. 1000/- for General/EWS/BC/EBC categories and Rs. 250/- for SC/ST categories.**
- The application fee should be payable in favour of Bihar Veterinary College, Patna, in the State Bank of India (SBI), BVCC Branch, Account Number 11435537631, IFSC Code SBIN0009006.
- Email ID for Correspondence: [napbasu25@basu.org.in](mailto:napbasu25@basu.org.in)

### 3. Post-Graduate Diplomas

| Sl. No. | Name of the Academic Programme                               | Link to submit application form                                                       | Eligibility                                                                                                                                                                                                                                                | Duration             | Mode of teaching                  | Number of seats | Total Course Fee |
