2	Khushbu Kumari	FM0001/2022-23	Fish Nutrition and Feed Technology
3	Ravishekhar Kumar	FM0006/2022-23	Fish Physiology and Biochemistry
4	Rahul Kumar Verma	FM0002/2022-23	Fish Physiology and Biochemistry

- As per the notification vide O.O. No. 126/Reg./BASU, Patna dated 13.08.2021, the registration fee of the semester, if only Viva-voce exam is pending is Rs. 500.00.
- The students were off campus and they were not aware of the decision taken in the meeting of 11th Academic Council of Bihar Animal Sciences University held 09.08.2021 vide agenda No. 06, the registration fee for the extraordinary condition of Registration after thesis submission they have not registered on time.
- Although, after knowing this mistake, they immediately submitted the fee of Rs. 250.00 & 500.00 and filled the 5th semester registration card on 05.05.2025.

The PG Board of Studies in its 14th meeting vide agenda No. 14.2 recommended to allow these students to clear all the formalities required for the award of M.F.Sc. degree by depositing the late fine of Rs. 100/day totalling to fifteen hundred for fifteen days of registration period as a special case in anticipation of approval of Academic Council.

Accordingly, Office Order bearing No. 672/DRI-cum-Dean PGS/BASU,

Patna dated 16.07.2025 has been issued with the approval of Hon'ble Vice-Chancellor with direction that the matter may be put up in the forthcoming Academic Council meeting of the University.

The Academic Council may consider the aforesaid proposal for post-facto approval.

Resolution : Approved

05/AC-23/25 Post facto approval to grant permission to five students of the 6th semester B. Tech. (Dairy Technology) programme (2022 Batch) to register the repeat courses of 2nd and 4th semester into the 6th semester within prescribed credit load i.e. 28 credit hours.

As per RRI the repeat courses will be offered with the running semester only. The ongoing second and fourth semesters commenced in April 2025, and the course syllabi are already at an advanced stage. Therefore, it is rational to offer the second and fourth semester courses separately to these sixth semester students of the 2022 batch.

08/AC-23/25 Post-facto approval to grant permission to Mr. Agam Kumar, B.F.Sc. student having Reg. No. FU0076/2020-21 to register the non-running repeat/failed course (FRM-311) during the ongoing 10th semester.

A B.F.Sc. 2020 batch student, Mr. Agam Kumar, bearing Roll No. COF/24/2020, currently registered in the 10th semester on 01.07.2025 of the academic year 2024-25. The student has requested to be allowed to register in the failed/repeat course (FRM-311, "Marine Fisheries", 1+0) of the odd semester (5th Semester) during the ongoing 10th even semester instead of waiting for the 11th semester. Status of the course load of the student is given below-

Name of student	Roll No.	Credit load in current (10 th) semester	Credit load requested from the odd semester (5 th semester backlog)
Agam Kumar	COF/24/2020	16 (11+5)	1 (1+0) This course was taken by a student in the 9 th semester as a backlog/repeat, but he again failed the course

The 7th Board of Studies of College of Fisheries, Kishanganj recommended that Mr. Agam Kumar may be allowed to register for the failed course (FRM-311, "Marine Fisheries", 1+0) of the odd semester (5th Semester) during the ongoing 10th even semester instead of waiting for the 11th semester. As offering one credit from the odd semester does not exceed the permitted credit load (i.e. 28 credit hours).

The Dean, COF, Kishanganj vide its letter No. 146/COF/Kishanganj/2025-26 dated 01.08.2025 submitted proposal to grant permission for the same in view of academic progression and completion of degree requirement on time.

Considering the recommendation of 7th BOS of COF, Kishanganj as well as proposal of the Dean, COF, Kishanganj, Mr. Agam Kumar was permitted to register the non-running repeat/failed course (FRM-311, "Marine Fisheries", 1+0) during the ongoing 10th semester in anticipation of approval from the Academic Council vide O.O. No. BASU/Reg./Acad./F.No.-78/220 dated 07.08.2025.

The Academic Council may consider the aforesaid proposal for post-facto approval.

Resolution : Approved

09/AC-23/25 Post-facto approval for amendment in clause 19 (12) of RRI for conduct of practical-cum-viva-voce external examination of B.V.Sc. & A.H. Programme duly notified vide O.O. No.- BASU/Reg./Exam./F.No. 195/239 dated 26.08.2025.

The present provision for conducting practical-cum-viva-voce examination of B.V.Sc. & A.H. Programme as prescribed in clause 19 (12) of RRI for B.V.Sc. & A.H. Programme states that “The annual/final practical examinations shall be conducted by a Board of Examiners consisting of an external examiner appointed by the COE, concerned Head of the Department, teacher and a representative of the Dean.”

As per the above provision, there is provision of the external examiner to be appointed by the COE, BASU, Patna. In this connection, it is relevant to mention here that sometimes due to non-consent of impanelled examiners, it becomes very difficult to conduct the practical-cum-viva-voce examination, particularly in case of compartmental examination in which the no. of examinee remains too less.

It is worthwhile to mention here that B.V.Sc. & A.H. Programme is regulated through VCI-MSVE-2016. The provision in this regard as prescribed in MSVE 2016 are as follows: -

“The practical examinations shall be conducted by a Board of Examiners consisting of concerned Head of the Department, teacher(s) and a representative of the Dean.”

Considering the facts, the clause 19 (12) of RRI of B.V.Sc. & A.H. Programme has been amended in anticipation of approval from the Academic Council duly notified vide O.O. No.- BASU/Reg./Exam./F.No. 195/239 (Memo No. 1000) dated 26.08.2025

The details of the amendment are as follows-

<i>Clause of RRI for B.V.Sc & A.H. Prg.</i>	<i>Existing Provision</i>	<i>Amended Provision</i>
19 (12)	The annual/final practical examinations shall be conducted by a Board of Examiners consisting of an external examiner appointed by the COE, concerned Head of the Department, teacher and a representative of the Dean.	The annual/final practical examinations shall be conducted by a Board of Examiners consisting of an external examiner appointed by the COE, concerned Head of the Department, teacher and a representative of the Dean. However, in case of non-availability/non-consent of external examiners or in case of compartmental examination, the COE may appoint from the teachers available in BVC, Patna for COVAS, Kishanganj and vice-versa.

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution :

- Approved
- Further, it has been resolved that no remuneration will be admissible to the internal examiners/experts.

10/AC-23/25 Recognition of Fellowship of the National Academy of Veterinary Sciences (India) at par with other Academic Fellowships for assessment in Selection and Promotion.

The National Academic of Veterinary Sciences (NAVS) vide its letter dated 07.05.2025 requested to consider the Fellowship of the National Academy of Veterinary Sciences, India at par with other academic fellowships and ensure its appropriate weightage in interviews, selection and promotion.

The Dean, BVC, Patna vide its letter No. 235/BVC, Patna dated 25.08.2025 submitted that in the existing BASU score card for selection and promotion, due weightages for fellowships from recognized national and international academies, professional societies, etc., has already been incorporated at different stages of assessment (AGP ₹6000 to ₹7000, AGP ₹8000, AGP ₹9000, and AGP ₹10000).

The matter is placed before the Academic Council for kind appraisal.

Resolution : After due discussion and deliberation, it has been resolved that weightage for fellowship of National academy, Professional Societies and other fellowship may be fixed as follows for selection and promotion in different stages of assessment of the teachers –

National Academies like NAVS/NAAS/NADS(I)/INSA	– 4.00 marks
Professional Societies	- 2.00 marks
Any other academic fellowship	- 0.5 marks
and Score Card be revised accordingly.

12/AC-23/25 Consideration of the application of Mr. Nishu Kumar, a first semester B. Tech. (Dairy Technology) student (2024 batch) to drop the second semester due to personal and unavoidable reasons, and to register in the forthcoming third semester.

Mr. Nishu Kumar, a first semester B. Tech. (Dairy Technology) student, has submitted an application to drop the second semester due to personal and unavoidable reasons, and to register in the forthcoming third semester.

There is no provision for dropping from the semester as per existing

regulations. The 13th BOS of SGIDT, Patna vide its agenda No. 13.2 considered the application of Mr. Nishu Kumar to temporarily allow to drop him from the second semester and allow to register in the forthcoming third semester as a special case. He will have to complete the second semester courses in the progressive semester as per existing rules and regulations of the university.

This recommendation is made to ensure academic continuity for the student while maintaining compliance with university regulations as a special case.

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution :

- Approved in line with recommendation of NEP-2020.
- Further it has been resolved that regular courses of 2nd semester shall not be allowed to be registered in subsequent regular semester (i.e. upto 8th regular semester). 2nd semester courses shall be allowed to be registered in the 9th semester.
- The student shall not be eligible for any medal or fellowship as per R.R.I.

13/AC-23/25 To allow the three students of B. Tech (Dairy Technology) 2024 Batch to register in the forthcoming third semester as a special case, who have been rusticated for the second semester due to disciplinary action.

Three students of B. Tech. (Dairy Technology) namely Mr. Priyanshu Raj, Roll No. SDT/07/2024, Mr. Aditya Kumar, Roll No. SDT/13/2024 and Mr. Vivek Kumar, Roll No. SDT/19/2024 were rusticated from institute for one semester (2nd semester, Batch 2024) vide O.O. No. 284/SGIDT, Patna dated 28.03.2025.

The 13th BOS of SGIDT, Patna vide its agenda No. 13.3 has recommended that these students be allowed to register for the forthcoming third semester as a special case. Later, when the second semester aligns with the academic calendar, they will be allowed to take the second semester courses.

This recommendation is made to ensure academic continuity for the students while maintaining compliance with university regulations as a special case.

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution :

- Approved
- 2nd semester courses shall not be allowed to be registered during 8 semesters of degree programme.
- It was also decided that these students shall not be entitled to receive any medal or fellowship as per R.R.I.
- No stipend shall be payable to these students.

14/AC-23/25 Modalities for admission against supernumerary seats of B.Tech. (D.T.) Programme.

Academic Council in its 21st meeting vide its agenda No. 15 resolved that-

1. In line with UGC guidelines, 25% (15 seats) seats are created under supernumerary seats for international students which are over and above the approved seats for Bihar domicile and national students in B.Tech. (D.T.) Programme
2. Modalities for admission against supernumerary seats shall be worked out at level of BOS, SGIDT, Patna and put up in the next Academic Council Meeting.

The aforesaid decision has already been notified vide N. No.BASU/Reg./Acad./F.No.-01(18)/52 (Memo No.-219) dated 10.05.2025.

The 13th Board of Studies of SGIDT, Patna vide its agenda No. 13.4 recommended that the admission modalities for these supernumerary seats shall be formulated at the university level so that they remain in sync with the university's overall admission process.

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution : Resolved to drop due to incomplete agenda. It shall be put up in the next meeting of the Academic Council with complete agenda and recommendation as per the decision made in this regard.

15/AC-23/25 To introduce a formal dress code for students enrolled in the B.Tech. (Dairy Technology) program, starting from the 2024 and 2025 Batches.

There is no provision for formal dress code for students of B. Tech.(DT).

The formal attire is intended to enhance the overall decorum of the academic environment and reflect the distinctiveness of the program.

33/AC-23/25 Provision of Financial Support for Article Processing Charges (APCs) for post graduate students and faculty members of Bihar Animal Sciences University (BASU), Patna, to facilitate the publication of their research and project work in reputed, high-impact journals, if the article is published in a journal having an impact factor of more than 2.5.

- Most of the leading international publishers, such as Elsevier, Springer Nature, Wiley, Taylor & Francis, Oxford University Press, Cambridge University Press, MDPI, Hindawi, and Frontiers, have largely transitioned to

open access or gold open access publishing models, which require the payment of APCs to make research publicly accessible.

- While such journals offer broader visibility, higher citation potential, and strengthen global scientific communication, the financial implications often pose a barrier for PG students and faculty members.
- The provision of financial support will not only enhance the visibility of BASU's research but also contribute to improve NAAC/NIRF rankings, strengthen compliance with ICAR and open science mandates, and position the university as excellence in research in animal sciences.

The 15th PG BOS has recommended to introduce and approve a scheme for providing financial assistance towards Article Processing Charges (APCs) for faculty members of Bihar Animal Sciences University (BASU), Patna, to facilitate the publication of their research and project work in reputed, high-impact journals, if article will be published in the Journal which will be having the impact factor more than 2.5.

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution :

- After due discussion and deliberation, it has been resolved to grant financial support for Article Processing Charges (APCs) for post graduate students and faculty members to facilitate the publication of their research and project work in reputed, high-impact journals, if the article is published in a journal having an impact factor of more than 2.5, as per following slab –

Sl. No.	Impact factor of the Journal	Financial Support from the University
1.	Impact factor having 2.5 or more but less than 4.00	60 % of Article Processing Charges (APCs)
2.	Impact factor having 4.00 or more but less than 6.00	75 % of Article Processing Charges (APCs)
3.	Impact factor having 6.00 or more	90 % of Article Processing Charges (APCs)

- There will be a committee comprising of Director Research, DRI-cum-Dean, PGS, Concerned Dean and one outside expert to decide the grant of financial support.
- All the research papers to be published must be routed through proper channel i.e. through Director Research.
- In case of research paper concerning of externally funded project, financial support will be met out from the fund of the project itself.
- The student will be the first author of the research paper to be published.
- The research work must be conducted at BASU.
- Only original research articles will be considered.

34/AC-23/25 To start the Ph.D. in Fish Processing Technology with an intake capacity of one student.

There are four faculty members in the department with a Ph.D. degree. All four faculty members are eligible for PG teaching and guiding, and one faculty member will be eligible from the upcoming session 2025 by successfully guiding two PG students as major advisor.

In view of the importance of the subjects in the field of fish processing technology and post-harvest management as well as availability of the faculty strength, the 15th PG BOS has recommended the agenda to the academic Council for consideration for approval to start Ph.D. Programme in Fish Processing Technology with an intake capacity of one student.

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution : Approved as proposed.

35/AC-23/25 To start the M.F.Sc. in Fisheries Economics (FEC) with an intake capacity of one student.

Presently, there are three faculty members in the department with specialization in Fisheries Economics, out of which one is eligible for PG teaching and guiding and one is eligible for PG teaching only.

In view of the importance of the subjects of social science (economics) in the field of fisheries and aquaculture as well as the availability of faculty strength in the departments, the 15th PG BOS has recommended the agenda to the Academic Council for consideration and approval to start M.F.Sc. in Fisheries Economics (FEC) at COF, Kishananganj with an intake capacity of one student.

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution : Approved as proposed.

36/AC-23/25 Approval of guidelines for Admission process, Pursuing Ph.D and grant of study leave for In-service teaching faculty.

The 8th RIC has recommended as an agenda to the Academic Council for consideration and approval of the guidelines for Admission process, Pursuing Ph.D and grant of study leave for In-service teaching faculty as detailed below -

1. Admission process for In-Service candidate

A. One Sponsored (In-service) candidate from ICAR/CAU/ SAUs/BASU

may be admitted in the PhD in each discipline over and above the allocated seats.

B. In general reservation policy has been already applied for filling of allocated seats of PG & PhD. However, further reservation may not be required for admission of the in-service candidate.

C. **Biannual Admission for In-Service Candidates:** The admission process for in-service candidates may be conducted twice a year, alongside the regular admissions.

I. First intake purely on the basis of departmental common merit amongst the in-service candidate in the All India Entrance Examination conducted by the National Test Agency (NTA) ICAR.

II. Second intake may be through an entrance test conducted by Bihar Animal Sciences University (BASU).

2. Guidelines for pursuing Ph.D. for Teacher

The applicants should have completed a minimum of three years continuous service in the BASU. In general, study leave will not be insisted upon for in-service candidates as long as the Ph.D. work relates to an approved research project within University mandate.

A. In cases where a teacher desires to do Ph.D. in an area where work cannot be done within an approved research project in the mandated area of the University, he may be permitted to do the Ph.D. degree by granting him study leave under existing BASU Study Leave Regulations. Such permission will be granted only in cases where it is possible to spare the teacher without detriment to the work of the University.

B. The permission to do Ph.D degree within the University is again subject to the condition stipulated here under:

I. During the course work, including comprehensive examination, the teacher/scientist shall be granted study leave under existing BASU Study Leave Regulations with full pay and allowances for a period of three (3) semesters.

II. After completion of course work and passing the comprehensive examination, the teacher/scientist shall join back his/her duties and the research/dissertation work shall be done at Bihar

Animal Sciences University within a minimum of five (5) semesters. This period however, may be extended to a maximum of seven (7) semesters for research/dissertation work with permission of the Dean, Postgraduate Studies. Any further extension shall require the permission of the Vice-Chancellor of the University and he/she will be granted leave of the kind due or EOL as may be applicable. In addition to the research for dissertation, the teacher/scientist shall continue to perform normal academic duties in the department during this period. In-service candidates may be allowed to register maximum of 9 credit hours per semester. This will enable them to effectively manage their ongoing teaching and other responsibilities along with their PG research.

III. Admission procedure/allotment of Major Advisor/formation of advisory committee/course, comprehensive examination, progress of research work and dissertation evaluation etc. will remain the same as per the existing rules and regulations of the University. The teacher/scientist shall have to execute a bond to serve the University for a period of three years as per existing format. The bond period shall start immediately after submission of Ph.D. thesis.

3. Guidelines for grant of extension in joining time to candidates selected as Assistant professor cum Jr. scientist/Assistant Professor (Grade pay of Rs. 6000/- PB-3) by BASU to complete Ph.D.

- I. The selected candidates should have completed their course work, passed the qualifying examination and completed a minimum of two years residency period at the respective CAU /SAU/DU/Institute before selection.
- II. In case the period required for completion of Ph.D work is six months or less, the University may consider to grant extension of joining time.
- III. If the period required for completion of Ph.D is more than six months: Candidates pursuing Ph.D at Deemed University of ICAR/SAU/CAU, the candidates after joining BASU may be allowed to carry out thesis work in BASU after completion of three years of continuous service, provided the ICAR/SAU/CAUs agrees to allow a teacher of the BASU to function as co-guide. Such candidates are required to furnish

a bond to serve the University/College/Unit for a continuous period of at least three years to be calculated from the date of completion of his/her PhD.

- IV. Bond may be exempted for in-service candidates of BASU, who are pursuing their Ph.D. programs within the university.
- V. The quality of thesis of such candidate may be regularly monitored by the Advisory committee to ensure that quality is not compromised.
- VI. If the ICAR/SAU/CAUs does not agree for a co-guide, such candidate may be allowed to avail the leave of kind due and EOL (maximum of one year for study purpose) to complete their PhD from the institution where they are enrolled. In case the candidate is under probation, the probation period may be extended accordingly.

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution : The agenda is deferred for the next meeting of Academic Council

37/AC-23/25 Proposal for Conduction of Objective Part of External Examination of Various U.G. Programme of BASU through OMR sheet in place of conventional method (Pen & Paper examination & Manual Evaluation).

In view of the evolving educational assessment practices and better transparency and efficiency in examination & evaluation processes, it is proposed that the University may adopt the **OMR (Optical Mark Recognition)**-based examination system for objective part of external examinations in place of the conventional method (involving handwritten responses & manual evaluation) for various U.G. Programmes under BASU, Patna.

1. The justification for this transition is as follows:
2. Enhanced Accuracy and Fairness
3. Time Efficiency in Evaluation/ Convenience for Examiners due to shortage of time.
4. Economic for University due to less DA for External Examiners.
5. Improved Confidentiality and Security
6. Alignment with National-Level Examinations

Details of pattern of objective Question Paper (Existing & Proposed):**A) For B.F.Sc. & B.Tech. (D.T.) Programme: -****Part-1 (OBJECTIVE)****Total Marks: 25**

The Academic Council may consider the aforesaid proposal and pass appropriate decision.

Resolution :

- After due discussion and deliberation, it has been resolved that maximum 25% of weightage of examination will be examined through OMR Sheet (in MCQ pattern) and the rest weightage of objective question will be examined as usual in conventional method.
- The objective questions to be examined through OMR Sheet shall have

negative marking as 1/4th of maximum marks of one question against wrong answer.

- Question pattern and no. of question of the objective part will be decided and framed accordingly.
- The objective examination through OMR Sheet shall be applicable from 2025 batch of different UG Programme of the University.

38/AC-23/25 To start course of MBA in Livestock and Rural Enterprise Management.

An email from Dr. Santosh Kumar has been received on July 10, 2025 with request to start course of MBA in Livestock and Rural Enterprise Management considering the critical/major role of the livestock not only in generating self-employment across the country but also playing a pivotal role in poverty elimination or upliftment of the rural people. He also submitted the programme overview for consideration.

The matter is placed before the Academic Council for discussion and appropriate decision.

Resolution : Resolved to drop the agenda.

39/AC-23/25 Institution of the “Donors Gold Medal” award to student of M.V.Sc./M.Tech./M.Sc./M.F.Sc./ Doctoral programme

The existing PG RRI has provision under clause 6.4 regarding Award of Gold Medal for best doctoral research by donor that “Any agency/individual parties who desires to donate the money for the purpose. The award shall be named after the name of the sponsor/donor”. Gold medal in the name of donor may be given in a particular Department/College as desired by the Donor.
